Thomas F. McCaffrey,
Albany, N.Y.

Dear Mr. McCaffrey,

Confirming conversation the Newark Eagles will meet the Cuban Stars of Havana, Cuba in a Negro National League doubleheader at Hawkins Stadium, Albany, N.Y. on Sunday afternoon July 14, 1940.

The same terms as the last game to prevail.

I am making arrangements with the clubs to send publicity matter to Dick Connors in care of you. This is the same party that handled matters the last time and did a good job with the same.

The posters will be handled by Jimmy Johnson as before.

Do you wish the \$50.00 deposit on the park the same as the last game?

I shall have the clubs furnish the tickets and I wish that you would be good enough to arrange to have the help on hand as before. I do not think that the clubs are going to send anyone to Albany this time as I shall have to ask you to be good enough to take care of the Police, Ticket takers and sellers, etc.

If we need umpires I shall let you know about this at once. The teams will furnish the baseballs.

I know that you will help this doubleheader as much as you can and I wish that you would be good enough to advertise or announce the same at the Senators games.

The clubs will arrange to bring their tickets with them. as before.

Very truly yours,
